After calling the meeting to order and determining the presence of a quorum, Chairman Kirby presented a proposed plan to redistrict the Mississippi State Senate. Maps and reports were distributed to the membership. Senator Kirby explained to the Committee that the plan was developed in accordance with the criteria adopted by the Joint Committee at the November 12, 2021, meeting and reviewed by experts under contract to the Committee's attorneys.

There being no questions about the plan, upon the motion of Senator Parker, seconded by Senator Wiggins, the sub-committee approved the plan by a voice vote, with no member wishing to record as voting no.
